FREE LEAD SAFE WORK PRACTICES TRAINING

LEAD-BASED PAINT TRAINING PROGRAM FOR RENOVATORS & REMODELERS

UPCOMING 2005 TRAINING DATES

October 14th, 15th, & 25th

November 1st & 17th

December 1st & 15th

This 6-hour course is designed to teach lead safe work practices to renovators, remodelers, painters, carpenters, homeowners, landlords and those who regularly disturb lead-based paint. The course provides information on containment, minimization and cleanup of lead hazards. This course is also designed for workers who perform paint film stabilization, interim controls, or standard treatments for federally assisted activities pursuant to 24 Code of Federal Regulations (CFR) Part 35. Completion of this course satisfies HUD requirements for interim controls training in federally assisted housing, it does not provide certification or licensing of lead inspectors, risk assessors, abatement workers or supervisors.

The course is being sponsored by the Monroe County Department of Public Health Childhood Lead Poisoning Prevention Program. There is no charge for this training session but pre-registration is required. Course location: Rochester, New York.
